01 / ABOUT

The Chucks are Neel, Joe, Bill, and Tony, a Baltimore-based party-rock band built around the part of live music we love most: the moment a room stops watching and starts singing with us. Since 2021, the set has moved from pop-punk and modern pop to classic rock, country, emo, and dance-floor favorites. Available as a four-piece full band or The Chucks Duo.

SELECTED STAGES
